Dear Mrs. Manley:

I am in receipt of your letter of April 12th. Would have answered long before now, but have been busy in a political campaign.

I think your suggestions are fine, also think we will be benefited much by playing such game. I am taking the matter up with Mr. Tom Wilson. Hoping to hear from him soon, will write you in reference to same as soon as I hear from him.

I am glad to know everything is running smoothly with the League. Hoping to see you in June, and thanking you for past favors, I remain

Yours respectfully,

J. B. Martin
